ARR 0930: [NEW] Meet our guides [servants and pioneers] at the Metropolitan Museum. (by Oasis Group Tours)

Transform yourself into an archaeologist digging for clues. Get out your spiritual pick and shovel and let’s go digging for some real authentic gems in these finds.

Tour #1: “THE WOMAN AND THE SEED” This tour encompasses the first four world powers in Biblical history: #1 Egypt, #2 Assyria, #3 Babylon, and #4 Medo-Persia. You will see how the prophecy at Genesis 3:15 has influenced the mankind from the very beginning of mankind’s history. This tour is taken by all new entrants to the Gilead School for missionaries. You will be automatically assigned to this tour. If you have already done this tour previously, request tour #2 when making your reservation.

Tour #2: “INTEGRITY”: This tour encompasses the next two world powers in the Bible: #5 Greece and #6 Rome. The value of the Christian Greek Scriptures is set against the backdrop of the Hellenistic and Roman cultures of the 1st century C.E. Historical and archaeological evidence showing that these same cultural influences are continuing to challenge the integrity of Christians in our day will be highlighted.

The purpose of these tours is to build faith in Jehovah God and His inspired Word. What you will see in the museum will deepen your appreciation for the Bible’s divine inspiration and for Jehovah’s earthly organization which has enabled us to ‘know the truth that sets us free’ from pagan superstitions and beliefs (John 8:32). What an honour we all have to share such precious truths with others!
